

22251VIC Certificate II in EAL (Access) (Domestic Students)

Course Description

The Course in EAL is designed for EAL participants who have little or no prior educational experience or whose circumstances have resulted in disrupted education and who need to develop initial level basic English speaking, listening, reading and writing, numeracy and learning skills prior to accessing further English language education and possible employment. This course's outcomes focus on the development of English language speaking, listening, reading and writing skills together with electives selected to develop relevant knowledge and skills for simple everyday communication and community participation and to enable participants to move into further English language education or vocational training or a combination of both, or employment.

Duration

26 Weeks - Full Time Study

Pathways

Participants may pathway to other education or to further English language courses.

Mode of Study

The mode of study includes:

- Classroom based training
- Self-study during the duration of the course

Assessment Methods

Assessment methods include written tests, oral tests, projects , observations and portfolio.

Credit Transfer

The College recognises the AQF qualifications and statements of attainment issued by other registered training organisations.
