Definitions:

- Deferral: means to delay the commencement of a course.
- Suspension: means to temporarily delay the enrolment once the course has commenced.
- Cancellation: means the cessation of an enrolment from a course.

Note:
The College may decide to accept an application from a student for deferral of commencement or suspension of study on the following grounds:

- On medical grounds (a medical practitioner’s certificate indicating the student is unable to attend class is required); or
- In exceptional compassionate circumstances beyond the students control, such as serious illness or death of a close family member (independent evidence of the exceptional circumstances is required).
- In the event of the unavailability, in a particular study period, of key or prerequisite units resulting in a significantly reduced study load. This ground is only available if the deferral allows the student to return to the college with a fuller load in a subsequent study period.

Applications must be submitted at least 10 working days before the requested Deferral/Suspension date.

Cancellation of enrolment applications will be accepted only if they are made in writing, on this form or by email, fax or post, signed by the student and sent to the College’s Director of Studies. Cancellation of enrolment will trigger the refund arrangements in the Written Agreement between the College and the student. Students who cancel their enrolment and believe they are due for a refund must also apply for a refund. Refund applications must be made in writing to the College’s Chief Executive Officer. The student Refund Application form, available from the College, may be used as the written application. Written applications for refunds will also be accepted by mail or by email. Refunds that are payable will be made within 28 days of receipt of a written application and will include a statement explaining how the refund was calculated.
