   a. the original registered provider has ceased to be registered or the course in which the student is enrolled has ceased to be registered;
   b. the original registered provider has provided a written Release Letter;
   c. the original registered provider has a had a sanction imposed on its registration by the Australian Government or state or territory government that prevents the student from continuing his or her principal course; or

The student will also be informed that the student may appeal the College’s decision through the Complaints and Appeals Policy and Procedure available on the following link: https://www.einsteincollege.vic.edu.au/pdfs/Complaints-and-Appeals.pdf

13. International students that have studied longer than 6 months of their principal course will use the normal application process for a transfer to another provider, and no letters of release are required to be produced by the College.

15. The CEO is responsible for the implementation of the policy and procedures and to ensure that staff are aware of its application and implement its requirements.

Procedures

Release Letter

1. Students must apply for a Release Letter using the Cancellation or Release Letter Application Form that is located at Student Services or on the College’s website.

2. Applications for a Release Letter will be considered by the Director of Studies and responded to in writing within 10 working days of being received by the College.

3. A Release Letter will be granted in accordance with this Policy and Procedure and only if the student can provide written confirmation that a valid enrolment offer has been made by another registered CRICOS provider.

4. A Release Letter will normally be granted, within 10 working days of the application, in the following situations:
   • The College is unable to continue to provide the course
   • The student can demonstrate they are experiencing threat to physical or mental health or safety by remaining at the College and can demonstrate clearly how this will be alleviated through a transfer
   • The current course of study is clearly not consistent with documented course requested for on their enrolment application
   • In exceptional compassionate circumstances beyond the students control, such as serious illness or death of a close family member (independent evidence of the exceptional circumstances is required) and the exceptional compassionate circumstances has led to a permanent change in the student’s circumstances that makes continued enrolment inappropriate
   • Any government sponsor of the student considers the change to be in the student’s best interest and has provided written support for that change.

A Release Letter will not be granted in the following situations. The College deems the following circumstances as reasonable grounds to DECLINE a student request for transfer in the first six months of the principal course of study:

• The requirements of the students signed Written Agreement have not been met by the student
• The student does not satisfy any of the situations which normally lead to a Release Letter being granted
• The proposed transfer will jeopardise the student’s progression through a package of courses
• The proposed transfer would be detrimental to the student's future study and/or career objectives
• The student has unsatisfactory course progress and has been or is about to be reported to DIBP
• The student cannot provide a letter from another registered CRICOS provider confirming that a valid enrolment offer has been made
• If the student has recently started studying the course and the student has not accessed the College’s student support or welfare services after having been requested to do so
• The student has unpaid tuition fees owing to the College as per their Written Agreement
• The student has a change of mind
• The student has not passed internal or external assessments in the first six months
• The student expresses difficulty with course material but has not sought assistance from the Director of Studies
• The course for which the student is intending to enrol in with the other provider, is similar to or the same as the course in which the student is currently enrolled at the College
• The student is experiencing course schedule conflict with personal, work, or other non-study commitments.

5. If a Release Letter is refused, reasons for the refusal will be documented in writing and the student will be informed of their rights of appeal using the college complaints and appeals procedure located at https://www.einsteincollege.vic.edu.au/pdfs/Complaints-and- Appeals.pdf. This is done by the Director of Studies.

6. A copy of the student’s Cancellation or Release Letter Application Form; notes recording the assessment of the application and a copy of the response letter sent to the student by the College must be placed in the student’s file. This is done by Student Administration.

7. The approval of a transfer of a student to another provider does not indicate the agreement to provide any refund. Refunds are governed by the Fees and Refund Policy and Procedures located at: https://www.einsteincollege.vic.edu.au/pdfs/Fees-and-Refund-Policy-and-Procedures.pdf

Procedure for assessing students wishing to transfer TO Einstein College of Australia:

1. The College will not knowingly enrol a student wishing to transfer from another registered provider’s course prior to the student completing six months of his or her principal course of study except where:
   • The original registered provider has ceased to be registered or the course in which the student is enrolled has ceased to be registered;
   • The original registered provider has provided a written Release Letter;
   • The original registered provider has had a sanction imposed on its registration by the Australian Government or state or territory government that prevents the student from continuing his or her principal course, or
   • Any government sponsor of the student considers the change to be in the student’s best interest and has provided written support for that change.
2. In the event that the College knowingly enrolls a student wishing to transfer from another registered provider’s course prior to the student completing six months of their principal course of study, documentary evidence of at least one of the four conditions listed above must be obtained and placed in the transferring student’s file.

3. The College will not seek to enrol a student who has not yet completed six months of their principal course of study with another registered provider unless the requirements of the ESOS National Code 2007 are met and then only in accordance with this procedure.

4. The Enrolment Officer receives a transfer of provider application from an on-shore international student who has indicated they are currently studying at another provider.

5. The Enrolment Officer reviews PRISMS to determine if the student has completed 6 months of their principal course.

6. If the student has completed 6 months of their principle course, then the Application and Enrolment Policy and Procedures will be implemented.

7. If the student has not completed 6 months of their principal course, the student will be asked to provide the required Release Letter in support of the transfer application.

8. If the student is transferring due to receiving an Australian Government sponsorship, the student will then need to supply written support agreeing to the transfer which will be accepted in lieu of any Release Letter.

9. If the student cannot produce a satisfactory Release Letter, the application process is denied and the student will be informed in writing that the College cannot accept their application at the time. The student will be advised that they are welcome to re-submit their application when the 6 month period of principal course has expired.

10. A copy of all relevant documents must be placed in the student’s file by the Student Administration.

3. Upon receipt of the Cancellation or Release Letter Application Form, the Director of Studies will consider the application.

4. The Director of Studies will assess all the evidence and application considering, among others:
   a. If the student has any outstanding tuition fees, these will need to be paid before a Release Letter can be issued
   b. If the reasons for the transfer are based on reasonable grounds, such as the College not being able to meet the student’s needs
   c. Check that the student is not subject to any College intervention strategies therefore trying to avoid being reported to DIBP for unsatisfactory course progress.

5. Once the Director of Studies is satisfied the above reasons are satisfactory and in accordance with this policy, and the application is approved, the Director of Studies will cancel the student’s COE and respond to the applicant within 10 working days of the Application Form being received with an official response. A Release Letter will be granted to the student at no charge. The student will also be advised of the need to contact DIBP to seek advice on whether a new student visa is required. This will be the responsibility of the students to action this requirement through DIBP.

6. The Director of Studies will follow the College’s Deferral, Suspension or Cancellation Policy and Procedures and report the student’s cancellation of studies to the ESOS Agency (ASQA) / DIBP through PRISMS.

If a Release Letter is refused by the Director of Studies, reasons for the refusal will be documented in writing and the student will be informed of the refusal using Student Release-Rejection Letter. The student will also be informed of their rights of appeal using the College’s complaints and appeals procedures.

8. A copy of the student’s Cancellation or Release Letter Application Form; notes recording the assessment of the application and a copy of the response letter sent to the student by the College must be placed in the student’s file. This is done by the Student Administration.
