Our good aged care students have good employment opportunities, further study and career pathways in Australia.

- Our aged care and disability support courses have the quality focus and practical work placement components.
- We implemented anti-plagiarism and anti-AI Writing software applications to ensure quality and academic integrity at our college.
- The international students at our college must study diligently to meet both attendance and course progress requirements.
- Our college and our good aged care and disability support international students are recognised by several large aged care and disability support companies in Melbourne.
